Dear Prof. Dr. Zhang:

I am contacting you as a representative of the International Conference on Metallurgical Coatings and Thin Films (ICMCTF 2020) to be held April 26 – May 1, 2020, in San Diego, CA, USA, to cordially invite you to present your contributed poster presentation entitled, “Effect of Molybdenum Disulfide nanoparticles addition on the Structure and Wear Resistance of Micro-arc Oxidation Self-lubricant Ceramic Layer on the 2A50 Aluminum Alloy,” on Thursday, April 30, 2020, at 5:00 p.m. in the Tribology and Mechanical Behavior of Coatings and Engineered Surfaces (Symposium E) Poster Session. Please note that a thorough peer-review was conducted of all abstracts in order for them to be accepted, included in the technical program.

Registration, Housing and the Technical Program are presently available on the [ICMCTF website](http://www.icmctf.org). Please be sure to register by the March 20, 2020 deadline in order to ensure your participation in the program. We encourage you to keep checking the conference website for additional updates.

If you have any questions or need additional information, please me directly at icmctf@icmctf.org or 212-248-0200 ext. 222.

Thank you again for your contribution to ICMCTF 2020. See you in San Diego!

Sincerely,

A handwritten signature in black ink, reading 'Yvonne Towse', is shown. The signature is fluid and cursive, with the first name 'Yvonne' and last name 'Towse' clearly legible.
